

It was my daughter's 4th birthday and she wanted a princess to come to her party so I contacted Paula on a recommendation from a friend who had held a successful Princess Poppy party.

From start to finish I received a professional, caring and confident service. Princess Poppy held the children's attention throughout the whole party with a series of games and activities geared towards their age group. The prizes given out were fantastic and the party bags exceeded my expectations.

Princess Poppy made my daughter feel number one on her special day and I could enjoy this as all the stress of organising a party had been taken out of my hands.

I highly recommend Funshine Entertainments/Paula for your party. Her organised, calm and friendly approach puts yourself and your party guests at ease. She turns what could be a stressful situation into bags of fun. My children think she is wonderful and can't wait until they see her again next year and you know how difficult they are to please!

Thanks Paula and see you soon.

Our party with Princess Poppy!

My daughter, Abigail, wanted a party with Princess Poppy for her 6th Birthday, as she had enjoyed so many of her friends parties with Fairy Fern, Princess Poppy and Pirate Pete.

Paula was fantastic in the run-up to the party and sent out detail party hints and tips that were easy to follow. I did think that the party was going to be a challenge, as there were 34 children aged 5 and 6, which included 11 boys and 24 girls and a 12 month old baby. However, on the day, everything ran smoothly.

Princess Poppy welcomed all the children, and the fun began with some races. This was great fun for them all, and my worries about the boys feeling left out at a girly party were soon forgotten. Then there were some games, before the children sat down to eat.

After the food, there was the magic show, which was brilliant! Abigail just loved it! I bought party bags from Paula and would recommend these – all I had to do was to pop in the piece of cake! The prizes that Paula gave out to the children were amazing and were carefully named by me for them to take home.

The party was such a huge success thanks to Paula and Princess Poppy, and I would recommend a FunShine Party to anyone!

Paula - Thank you for a fantastic party. Your Princess Poppy party was fabulous from start to finish.

I really valued your telephone support over the weeks preceding the party and the party hints and tips sheet really helped to focus my mind.

When you arrived at the hall you were very friendly and took charge of the party as soon as the guests were arriving. You managed to keep control of around 30 children, boys and girls, whilst still making my daughter feel extra special.

The lovely things you said about why mummy and daddy were giving her the party made at least 3 adults present cry! (me included). Throughout the party you were aware of my very shy daughter and really made her come out of her shell. So many parents commented that they had never seen her so relaxed whilst being in the limelight. That was totally down to you and I am very grateful to you for making her day so special.

Thanks again - see you next year.

Hi

I am looking on your website after attending the above party with my daughter Shelbi. I was looking for somewhere to put some comments and your email was the only place I could find so I thought I would put them here.

FANTASTIC. I was extremely impressed with the entertainment at the party and amazed at how you managed to keep the children occupied for so long, there were no tears or tantrums just plenty of tiaras and smiling faces. My daughter just turned 7 and we had a party at home which was quite stressful. To watch you entertain so many children in such a kind and caring manner was a pleasure. I will recommend you to anyone who mentioned a party. It is a shame that you only do 3-6 year olds as I would book myself for Shelbi's party next year.

Keep up the good work. I am sure that there are many happy children out there that have had a party hosted by you.

Dear Paula

I would like to say a really big thank you for giving James such a fantastic party.

Your energy and enthusiasm was amazing. All the children thoroughly enjoyed themselves. Prior to James' party it was great to be able to call you, when I needed to find a couple of things out, you were so helpful and friendly.

I wouldn't hesitate to highly recommend you to anyone wanting a child's party. You were terrific value for money, the prizes and birthday present were very good quality and to have you there was worth every penny.

Many parents commented on how impressed they were with you and many said all the games that were out as the children arrived was a good idea.

I cannot thank you enough for making my son's party so special.

Good luck with all you future parties.

Many thanks.

Hi

My name is Sandra, I am the mother of four young children,

If like me you are sick of McDonald's Birthday Parties and are looking for something different then Paula is your girl.

I was introduced by my sister, she was hosting my nieces party. There were about 25 children at the party. Paula handled them with patience and always kept them interested.

I have booked two parties with Paula, Fairy Fern and Pirate Pete. There was lots for the children to do, all the children had a great time.

I would recommend Paula to all, and use her again myself.

Many of the mums complimented me on a great party, which of course made me feel brilliant.

Paula, as Fairy Fern, was recommended to me by a friend who had attended one of her parties.

I contacted Paula by phone, who was very easy to chat with (and I'm sure I kept her on the phone longer than most customers), answering all my numerous questions and giving advice on the most suitable party for my 5 year old daughter.

The party chose was a Fairy Fern party, held in April 2005 and was a huge success. I had expressed apprehension over having many boys attending (18 girls/14 boys) and would they accept Fairy Fern. Paula assured me that this was not a cause for concern and was indeed right. At least one mother stated that her son was very impressed and had had a great time.

I would recommend Paula for providing a varied fun-filled party.

WOW what a party!!!

I hired Funshine Entertainments to cater for my Twins 4th Birthday. As I have a boy and girl I decided I would like Fairy Fern and Pirate Pete to entertain the children.

Funshine catered for all of their needs and including the 20 other children at the party, it was more of a bonus as I held the party in my own home, I didn't have to organise a thing apart from the food and presents. Funshine supplied the two cakes and 20 party bags at an extra cost, the party bags were excellent value for money I would not have been able to purchase myself for the cost and quality.

From the moment the children arrived to the time they left I didn't need to worry about a thing, the entertainment was second to none and it was the best children's party I have ever hosted. In fact my own mother was as mesmerised as the children with Fairy Fern/Pirate Pete's performance including magic, games, prizes, dancing and fun.

I will be rebooking for my children's 5th birthday party and may even book for my 40th! Thank you Funshine - the sun definitely did shine that day.

After looking on the internet and feeling satisfied I contacted Funshine and booked Pirate Pete for my sons 4th Birthday party.

My biggest question was how could anyone entertain 30 x 4yr olds for one hour. Well she did, capturing their **FULL** attention for a **FULL** hour. Truly amazing! To add, all parents present were offered a glass of vino, but most declined simply because they were mesmerised by their own children's enthusiasm of Pirate Pete.

Not only was the entertainment exceptional, the personal attention my son received on his special day was very touching.

The whole package paid for, including excellent party bags, did not end on Pirate Pete's exit; we received balloons and ready made thank you cards. I can honestly say every avenue was covered by Funshine and I strongly recommend them.

Keep up the good work.

See you next year!

My name is Mrs Bruce and I run a Toddler Group based at St Katherine's Church, Dunstable.

Last year we decided to let someone else run our Christmas Party. Using FunShine Entertainments was a great choice. We had Fairy Fern to entertain and Father Christmas to give out presents. The children were excited and entertained the whole time. Prizes were superb and, over all, I was extremely impressed.

I will use FunShine Entertainments again this Christmas and would highly recommend for any party.
