

Paula has been coming to Eaton Bray Lower School for 3 years. Paula is always enthusiastic and manages to vary the disco's so they are always new and full of fun. She has an excellent rapport with the children, and caters really well for the range of ages who attend.

We couldn't recommend her highly enough for her professionalism and energy, she has more than the children!!!

I would like to recommend Paula of Funshine Entertainments to you as an excellent children's entertainer who leads children's parties and discos very successfully.

Paula has entertained children at St George's School for PTA parties. The children all had a lovely time and there were all sorts of activities and games for them to enjoy. The parties were very well planned and well organised and required minimum support, as Paula was effective and confident with the children. She was particularly good at planning for different ages and for boys as well as girls.

Paula has the required clearance for working with young children and I would recommend FunShine Entertainments for any school PTA or family keen to offer children s a super time!

Children and adults really enjoyed the disco parties. It's brilliant how Paula manages to get all the children involved. Previous to Paula, many children used to wander in and out of the hall whereas now our discos are much more fun for everyone.
